Headline:

Rather cloudy with rain or showers.

Today:

A bright start with the odd shower around but cloud increasing from the northwest bringing outbreaks of rain. The rain, occasionally heavy in west but generally light and patchy in east, clears to sunny spells and showers later in afternoon. Maximum temperature 10 deg C (50 deg F).

Tonight:

Showers soon die out to leave the rest of the night dry with long clear spells. Risk of a touch of frost in sheltered eastern spots as winds ease. Minimum temperature 0 deg C (32 deg F).

Monday:

Dry through much of the day with good spells of sunshine. However cloud increases from the west later in the afternoon with outbreaks of rain spreading east in the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Tuesday to Thursday:

Overnight rain soon clearing Tuesday to leave a dry, breezy day with sunny spells. Dry with sunny spells in west through Wednesday and Thursday but rather cloudier in east.
